## Dahlia Price List

Season 1923-24

We guarantee all stock listed to be true to name and to arrive at destination in good condition. We will cheerfully replace any that prove otherwise.

The color descriptions in this list are intended to give only the general color effect. Detailed descriptions of the newer varieties will be furnished on request.

Prices quoted are for strong divisions—field grown stock only. We will not substitute unless requested.

Terms—25% cash with order and balance before delivery. 5% may be deducted from orders sent with cash in full before December 1, 1923. 5% discount will also be allowed on orders amounting to \$25.00 or more, except on collections. We prepay charges to destination.

For those who wish to leave the selection to us we will make up collections for \$4.00 to \$50.00 per dozen, in which cases extra value will be given.
